

What You Can Cover with Your Emergency Savings

Imagine how much more comfortable you would feel if you could handle more of life's curveballs? Many people rely on credit to cover emergency expenses, but if you have a tight budget, going into debt can make it harder to overcome subsequent financial emergencies.

If you're on a tight budget, saving up three to six months of expenses may seem like an insurmountable task, but for just \$10 a week, you can start preparing for life's emergencies.
